v.

Fareed Zakaria d/b/a Newsweek Columnist  
Amy Goodman d/b/a Democracy Now Host,  
Defendants

complaint

Comes now the plaintiff, Jonathan Lee Riches, under 42 USC 19153, Goodman is violating my civil rights. She supports good treatment of U.S. troops, but tells Zakaria to write that I and Federal inmates get water boarded and to cut the food budget. I'm in FCI Williamsburg solitary confinement. I have no access to vending machines, no pay phones to call, delivery, no cold water fountain, this is major abuses. Zakaria has my B.O.B. finger prints and gave them to neo conservative Interpo. to set me up on bogus fraud charges. I seek \$5 million in damages.
